DETAILED ACTION

EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Chan on June 23, 2005.

The application has been amended as follows:

Regarding claim 2, on line one, after "wherein" change "said" to -- an --.

Allowable Subject Matter

2. Claims 1-27 are allowed.

3. The following is an examiner's statement of reasons for allowance:

None of the prior art teaches or suggests a self test circuit allow separate control of a transmitter section and a receiver section as the current application. More specifically, a self-test data generator for generating test data; a transmitter section coupled to the self-test data generator, the transmitter section operable for receiving the test data and processing the test data in the same manner as any other data to be transmitted by the transmitter section; a receiver section coupled to the transmitter section, the receiver section operable for receiving the test data output by the transmitter section; and a test data analyzer coupled to the receiver, the test data

analyzer operative for verifying the accuracy of the test data output by the receiver, and outputting an error signal if there is an error in the test data, wherein a first signal is input to the self-test data generator and a second signal is input to the test data analyzer so that one of the self-test data generator and the test data analyzer is capable of being activated or deactivated without activating or deactivating the other of the self-test data generator and the test data analyzer.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
